Approaches in Biology Education*

"Affect matters, identifying and assessing social outcomes in STEM classrooms and beyond" - Workshop -

Bryan Dewsbury, PhD

*Associate Professor, Department of Biological Sciences
Florida International University*

Friday, May 2, 2025

2:00 - 3:30 pm

2501 Tata Hall Learning Studio

Light refreshments will be provided

Abstract: In this workshop we will identify specific strategies unique to our context that promote belonging, community and trust in our classrooms. We will create plans to both implement those plans and assess them for their effectiveness.

Hosted by: Stacy Ochoa (stchoa@ucsd.edu)
